MORE GLORY FOR WRIGHT BROTHERS

Dayton, Ohio, June 16.—Daily decorated with flags and allegorical representations of aerial flights, the city is ready to begin tomorrow a two-day celebration in honor of Orville and Wilbur Wright. As the home of these famous navigators and the scene of their early experiments, this city will endeavor to show the esteem for these distinguished citizens at home is on a par with that held for them abroad. After the firing of a cannon tomorrow, every whistle in the city will blow and the city will unite in a salute. The militia will march through the streets spanned by arches crowned by aeroplane models. In the evening the Wright brothers will be guests at a public reception. They will leave Saturday for Washington, there to begin a series of flights for the government.

Washington, June 16.—President Taft today held a special cabinet meeting which U. S. Senator Root attended. OLD-TIME SOCORRO BANKER FACES PRISON

Socorro, N. M., June 16.—A jury in the district court late yesterday returned a verdict of guilty in the case of the territory vs. J. N. Broyles, the former banker, charged with obtaining money under false pretenses.

According to the evidence presented by the prosecution, M. E. Trujillo made a note to Broyles for \$300, which Broyles deposited as collateral with the State bank of Socorro. When the note became due, Trujillo tendered and Broyles accepted payment of the amount. Broyles, it was shown, gave a receipt for the amount, claiming that he was unable to find the note which he said had been mislaid. The bank shortly afterward demanded payment of the amount from Trujillo, who was forced to repay the loan for the second time. He then brought the matter to the attention of the grand

DR. GORDON ISSUES A TIMELY WARNING

An Optic representative called on Dr. C. C. Gordon, city physician today, to ascertain the latest news relative to local health conditions. The city health officer reported no new cases of fever and that all those children now afflicted are convalescing.

However, Dr. Gordon took occasion to ask The Optic to urge all house seekers to look into the cess pools and vaults before parlors and bed rooms in renting houses. He says that many residences have escaped cleansing in the above sanitary necessities for the past 20 years or longer, and that as a result some of them fairly reek with filth and vermin.

Dr. Gordon, with other progressive Las Vegas citizens, is one of the most consistent advocates for a modern sewage system, which he declares is a public necessity which has been too long delayed. He says now is the time to build a sewer and not after a deadly epidemic or something else has menaced the life of the people.

A chemist had made a mistake in his weights and poisoned a customer. When the fatal tidings were brought to him he exclaimed:

"Wretch that I am—and my best customer, too!"—Harper's Weekly.
